

A Word from the Studio Director

I hope everyone had a great winter break! Our Christmas Gala was wonderful! The girls did an amazing job! Thank you so much for your support! I have taken every measure to ensure that our studio is safe as we continue to navigate through the Covid-19 pandemic. We continue to sanitize the facility regularly to help slow the spread of the virus. Please make sure that you let us know if your child has contracted or has been exposed to the virus so that we can follow the CDC protocols to keep everyone safe. Let's make sure we all do our part to stay safe and healthy during this time. Please check the Band App and our website (www.karahacademy.org) for current information at the studio.
